

FABRICS THAT  
YOU WILL LOVE

## **INNOVATION. COMMITMENT. GLOBAL PRESENCE.**

Is what makes Rebus Intl Inc a partner of choice for manufacturers, suppliers and retailers in the international market.

An international trading company, Rebus has been a key partner in the supply of textile materials to a diverse range of markets across the globe. With rich experience, and a team of highly committed individuals, we have managed to carve a niche as a reliable group by ensuring that only the best and high quality products make their way from the factory floor to the store shelves. Homes, hotels, hospitals, universities, restaurants, fitness centers, cruise ships and airlines, amongst others, trust us to provide innovative designs and excellent after-sales service.

### **Well-Connected Global Network:**

We have been successfully assisting suppliers and retailers to connect on a global basis with the help of our robust supply chain and worldwide network. Our passion to source the best fabrics has led us to spread our business network across major industrial zones of the world including Canada, Latin America, Mexico, Brazil, China, India, Belgium, Australia, Thailand, Hong Kong, Vietnam, Mauritius, Greece, Turkey, Bangladesh, Pakistan, Egypt, Sri Lanka and Malaysia. The versatility that we offer to our clients is what sets us apart from our competitors.

## Our Vision

To be the most-preferred and leading supplier of textile fabrics in the industry. To be globally renowned and respected for supplying top-notch, premium quality products at a competitive price.

## Our Mission

To achieve our objectives by incorporating highest level of quality and services thereby gaining 100% client satisfaction.

## Our Advantage:

- Reliable and trusted
- Strong brand equity
- Premium quality

## Our Product Range:

Our high-end quality linens are most-sought after by hospitality industry and home owners alike. Our wide range of products, with trendsetting designs, is made using cutting-edge technology at the best manufacturing facilities across the globe.

## Greige Fabrics:

We source the best and pure Greige fabrics from across the world that can be used by apparels and home furnishings industry alike. Like every material sourced by Rebus, this too undergoes stringent quality control checks for it to be accepted by our textile clients the world over.

Greige fabric, also known as grey fabric, is unprocessed or unfinished and hasn't been dyed, bleached and processed. Our range of premium quality greige fabric is used in making upholstery, table & bath linen, garments and much more. We supply cotton, nylon, polyester, linen and satin grey fabrics amongst others.

## Denim:

We source innovative denim fabrics that have a touch of class and are in line with the latest fashion trends. We have a select group of suppliers who manufacture the best-in-class fabrics using the latest in technology and state-of-the-art machinery.

- The product range that starts from 7 oz to 14.50 oz is available in a vast variety of textures, feels and hues & shades.
- Choose your denim material based on your requirement - multi-count, multi-twist, ring/ open-end yarns in both regular and fashion fabrics.
- Available in a variety of finishes -flat finish, diamond finish and thermo fixed amongst others.

**Product Highlight:** Appeals to all age group | Trendy & fashionable | Meets the market demand | Premium quality

## Bed Linen:

If comfort, freshness and coziness are your priority then we have got you covered. Our creatively designed bed linens that are available in attractive colours and cheerful prints offer a smooth, unique and soft feel. Made using premium quality cotton fabrics in our state-of-the art production unit, our quality inspectors ensure only the best fabric reaches here.

Our luxurious bed linens are made using the best-in-class technology that ensures every product is anti-microbial, anti-bacterial and wrinkle-free. Quality finish, elegant, soft elasticity, excellent air permeability, strength and durability are our speciality and hence favored by the most prestigious establishments.
