# WHAT SETS US APART

Hudson Valley Mask Co. combines cutting-edge technology and precision-made textiles to bring you New York-made N95 masks.

**1**

## TRUSTED RAW MATERIALS

High quality, independently tested raw materials sourced from Italy and the US

**2**

## HIGHEST CERTIFICATIONS

NIOSH & FDA approval in-process, made in our ISO certified factory

**3**

## SHORT LEAD TIMES

Raw materials sourced from the Italy and the US mean fast order fulfillment

**4**

## NON-TOXIC STERILIZATION

Masks are sterilized using state-of-the-art non-chemical means: Ultra Violet light

**5**

## MASKS FOR GOOD

We gift N95 masks to essential workers who need them the most

**6**

## MADE IN NEW YORK

Our factory in Newburgh, New York supplies local jobs and masks you can rely on
